

PARIS POLICE BAR SILK STOCKINGS FROM WOMEN

PARIS, Feb. 1.—Women employed in the office of the Prefecture of Police are prohibited from wearing "luxuries" by an order issued today by Prefect Raux.

Silk stockings, diamond studded hairpins, fur coats, plumed hats and high heeled shoes are among the articles barred. The average wage paid the women and girls is 400 francs monthly, about \$27 at the present rate of exchange.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Luster to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied. Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful. This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

"VILLA" PLEA FOR NEW TRIAL DENIED

Circuit Judges at Rockville Uphold Jury Conviction—Case May Be Appealed.

ROCKVILLE, Md., Feb. 1.—Guy Vernon Thompson, alias "Villa," must pay the extreme penalty for murder, Chief Justice Hammond Unger and Associate Justices Edward C. Peter and Glenn H. Worthington, in the circuit court here, yesterday denied a new trial to the man who was convicted and sentenced to die for the slaying of James Bolton and two children of Bolton's housekeeper, near Germantown, last November. Thompson, it is alleged, dynamited the Bolton home.

A new trial was asked on the ground that two of the jurors who sat in the case—Charles E. Benson and Maurice M. Mossburg—had, prior to the trial, formed and expressed opinions as to the guilt or innocence of the prisoner. The jurors were placed on the stand and they made it plain that the statements made by them at the time they were examined for jurors were correct and that they had neither formed nor expressed opinions as to the man's guilt or innocence.

Thompson was questioned as to why, in his opinion, he should be given a new trial. He said he thought there were several witnesses who did not testify at the trial who could give evidence of value to him. The court, however, held that what Thompson stated these witnesses would testify was immaterial.

Following yesterday's hearing, "Villa" was returned to the Baltimore jail, where he has been since rumors of lynching were current some weeks ago. John A. Garrett, Thompson's counsel, announced he would take the case to the court of appeals.

RAILROAD BOWS TO AUTO AND THROWS UP SPONGE

RICHMOND, Va., Feb. 1.—Representing that motor travel on highly improved highways paralleling its line has seriously affected its passenger traffic, causing this service to be operated at a loss, the Chesapeake and Western Railway Company has petitioned the Virginia State corporation commission for permission to abandon passenger service on the road, it was announced today.

The railroad is fifty miles in length, extending from Elkton to Stokesville in the valley section, and connecting with the Baltimore and Ohio and the Southern Railway. It plans to continue its freight service.

MISS PEGGY O'DEA, one of the many pretty girls in the St. Patrick's Players' Revue which will appear for the first time tonight at Carroll Hall.

IRISH SHOOT BRITISH OFFICER AND WIFE

Woman Dies—Inspector Rushed To Hospital—Troops Hurried To Scene.

LONDON, Feb. 1.—The execution of Joseph Murphy, the Sinn Féin man who was condemned to death by a British court-martial for killing a British soldier while leading an attack at Cork on October 8, was postponed to February 9, it was officially announced today.

DUBLIN, Feb. 1.—Two persons, one the wife of an inspector of the royal Irish constabulary, were killed and several persons were wounded in two shooting affrays at Mallow today.

Captain King, an inspector of the royal Irish constabulary, and his wife were fired upon and wounded at the Mallow railway station. Mrs. King died shortly afterwards and Captain King was rushed to the hospital in a critical condition.

Soldiers and policemen were rushed to the scene. A crowd, which had gathered near the railway station, refused to disperse, and the soldiers fired a volley, killing one civilian and wounding two others.

Forten Roman Catholic archbishops and bishops have united in a request for a reception for Joseph Murphy, the Sinn Féin man who was sentenced to death by a British court-martial for shooting a British soldier to death at Cork on October 8, the Freeman's Journal announced today.

The court of appeals refused to set aside the verdict on the ground it could not interfere with the findings of the court-martial.

Laurence O'Neill has been elected lord mayor of Dublin for the fourth successive year. Although not a Sinn Féin man he was proposed by Sinn Féin men and in giving thanks for his election he said that as mayor he would be advised by those chosen by the vast majority of Irish people as their political representatives.

CORK, Feb. 1.—The Cork corporation has re-elected Donald O'Callaghan lord mayor. (Lord Mayor O'Callaghan is at present in the United States). Toward the close of the meeting a police force arrived and arrested three of the aldermen and seven councillors, taking them away to the barracks. The prisoners indulged in good humored songs on the way.

MINN. AVE. SHACKS CALLED FIRETRAPS

Randle Citizens Ask D. C. Commissioners to Condemn Entire Row of Buildings.

Resolutions petitioning the District Commissioners to condemn a row of dilapidated shacks in Minnesota avenue between Nineteenth and Twentieth streets southeast, which, it is claimed, are a "menace and a fire trap," were adopted last night at the regular meeting of the Randle Highlands Citizens' Association. The Rev. Rex B. Duckett, vice president, presided.

A report on school conditions was read by Dr. H. T. Woodward, in which it was recommended that the school authorities fit up a roof garden on the Randle Highlands school for the use of the pupils. Better transportation for citizens of the community also was discussed.

The resignations of President R. Bradford and Secretary J. Walter Mitchell were received. Election of their successors will take place at the next meeting.
